

COMPANY PROFILE

MEH Consultants (P) Ltd.

(Registered under Nepal Company Act 2053)

CORPORATE DATA

Name of Firm	- MEH Consultants (P) Ltd.
Legal Status	- Private Limited Company (Estd. 1997)
Business Type	- Consultancy Services
Address	- 290 N. K. Singh Marg, Baneshwore, P. O. Box 4036, Kathmandu, Nepal
Telephone	- 977-1- 4477634/4477349
Fax	- 977-1- 4477385
E-mail	- meh@mehconsultants.com

Registration

Ministry of Industry, Company Registrar's Office (Regd. No. 7474/054/055); Ministry of Industry, Department of Cottage and Small Industries (Regd. No. 1022/84); Department of Taxation, (PAN 500039786); Office of VAT (500039786); Society of Consulting Architectural and Engineering Firms (Regd. No. M-38); Asian Development Bank (CMS No. 005656), The World Bank (Vendor Registration Application Number 35504).

Board of Directors

Chairman - Mr. Narayan G. Halwai

Managing Director - Mr. Shyam S Sharma

Directors - Mr. Govinda M Tamrakar, Mr. Dipak P Upadhyay, Mr. Ram P Bhandari, Mr. Kedar M Shrestha

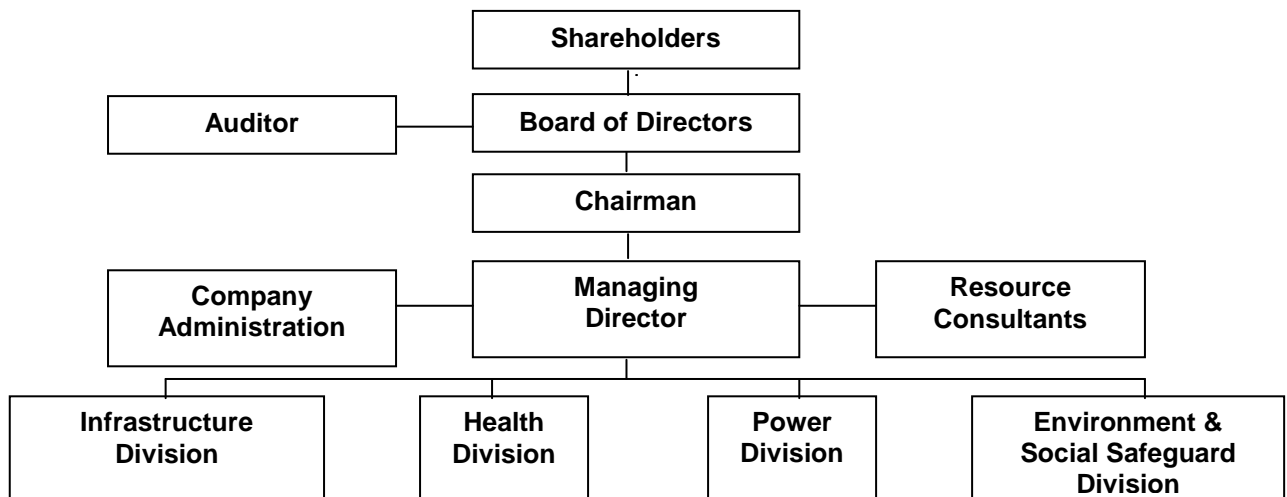

THE COMPANY

MEH Consultants (P) Ltd. is a consulting company duly registered with the concerned Ministries and Departments of His Majesty's Government of Nepal in October 1997 to render consulting services in Engineering, Health, Education, Agriculture, Forestry and other sectors. Senior professionals who were actively engaged in consulting profession since the last two decades have established this company. The Directors and Shareholders, who have gained valuable experience working together with expatriate consultants and have successfully executed number of projects, are the asset and strength of the Company. Currently there are more than 30 shareholding professionals and 18 professionals as full-time staff of the Company. The Company is fully equipped with modern office equipment and facilities.

The company believes in *Development through Participation*. It aims to bring together talented multidiscipline professionals to render quality services and contribute to the mainstream national development activities.

The Company provides services in water resources, energy, infrastructure and natural resources, community development and health services from conceptual planning to feasibility studies, investigation, design, implementation and operation.

The shareholders of the company are mostly senior professionals dedicated to their profession. The organization chart is produced below.

Facilities and Equipment

The company has its own office building at 290 N K Singh Marg, New Baneshwor Ward No. 34 of Kathmandu Metropolitan City. The office is housed in two air-conditioned buildings of about 550-m² floor areas with a well-equipped eatery within its premises. The office compound offers adequate parking facilities for its employees and the visitors. All the equipments with the Company are new and of the current model. There are adequate office furniture and fixtures, computers (19 nos.), printers (6 nos.), photocopiers (3 nos.), scanner, Internet, e-mail and fax facilities. The Company uses modern software packages: Office 2003/2007 for its regular office operations, TNTlite (GIS), EPI-INFO-6 and Visual FoxPro for research and analysis works, and other related software for CAD designs, Soft well for road design. Company has five motorcycles and three 4 Wheel drive vehicles available for the Company work.

ORGANISATION & RESOURCES

Professionals and Resource Staff

All the 46 shareholders are committed to offer their services as and when required.

Presently, there are 21 full-time professionals and 21 support staff (most of them are shareholders of the Company) and 22 seniors professional, 26 technical supports and 10 other administrative support staffs are working in the Company as a contract basis.

Other professionals/shareholders are the resource persons for the Company. The Company also has a roster of resource staff, specialist in their respective fields of Agriculture, Community and Institutional Development, Computer and GIS, Finance and Economics, Forestry and Environment, Geology, Infrastructure, Public Health, and Water Resources as listed below. All the resource persons are committed to provide their services as and when required. The lists of available resource personnel are presented in the following tables;

List of Shareholders with their respective profession /specialisation

Shareholders	Area of Specialization
Bihari K. Shrestha	Institutional Development
Dr. Govinda Regmi	Materials and Quality Control
Jitendra Dhoj Rana	Agriculture/Irrigation Engineering
Kishor M.S. Rajbhandari	Construction/ Highway Engineering
Dr. Kumud K. Kafle	Clinical Pharmacology
Manik R. Tuladhar	Structure/ Computer Analysis
Narayan G. Halwai	Water Supply/ Irrigation /Community Development
Naveen Shrestha	Public Health
Padma B. Shakya	Agriculture Economics
Purusottam R. Joshi	Geology/Geo-hydrology
Rajen Kumar Sharma	Water Supply/ Community Development
Shyam S. Sharma	Contracts and Procurement
Anand Dev Shrestha	Pharmacology
Bimal Gyawali	Community Development
Bhupendra B Thapa	Pharmacology
Krishna Kishor Shrestha	Highways/Transport
Shubha Rajkarnikar	Civil Engineer
Birendra K. Singh	Highway Engineering and construction
Deepak K. Amatya	Civil Engineering/ Sociology/Environment
Govinda Man Tamrakar	Construction Management
Kedar Man Shrestha	Civil Engineering/ Construction/Urban Development
Dr. Kiran Kumar Bhattarai	Water Supply and Sanitation/Environment
Madhav Prasad Joshi	Social Development
Dr. Narendra M. Shakya	Hydrology
Ganesh Prasad Raj	Hydropower/Transmission
Ram G. Rajkarnikar	Public Health
Shirish Singh	Civil Engineering/Wastewater Management
Dipak P Upadhyay	Hydropower/Electrical
Gajendra Bahadur Bhuju	Pharmacology
Dr. Shiv Bahadur Karki	Pharmacology
Vidhya Prajapati	Architect
Radha Raman Prasad	Pharmacology
Ram Prashad Bhandari	Public Health
Niranjan Tamrakar	Civil Engineering/Auto CAD/Construction

ORGANISATION & RESOURCES

List of full-time professional currently working in the Company

SN	Name	Specialised Field	Key Qualification
Board of Directors			
1.	Mr. Narayan Govind Halwai	Water Supply/Irrigation Expert	<ul style="list-style-type: none"> ▪ B.Sc. Engg. (Civil), Birla Institute of Technology, Ranchi University, India 1969. ▪ Graduate in Education, Huddersfield College of Education, Leeds University, UK, 1973.
2.	Mr. Shyam Sundar Sharma	Contract & Procurement Specialist	<ul style="list-style-type: none"> ▪ Masters Level Studies in Planning, Management and Policy Analysis, University of North Carolina at Chapel Hill under Hubert H Humphrey North South Fellowship Program, 1991-92 ▪ M. Sc. Civil Engineering (Transport), Imperial College of Science and Technology, University of London, UK, 1975
3.	Mr. Govinda Man Tamrakar	Structure/Construction Management	<ul style="list-style-type: none"> ▪ Master in Construction management, nec-Center for Advanced Studies, Imadol, Lalitpur, 2005. ▪ Bachelor of Civil Engineering, Institute of Engineering, Pulchowk, Lalitpur, 1990.
4.	Mr. Ram Prasad Bhandari	Health System Expert	<ul style="list-style-type: none"> ▪ Masters of Science in Public Health, Institute of Medicine, Tribhuvan University Kathmandu, Nepal, 1998 (Batch topper). ▪ Bachelor's Degree in Public Health, Institute of Medicine, Tribhuvan University Kathmandu, Nepal, 1989 (First division).
5.	Mr. Dipak Pd. Upadhyay	Electrical Power/Transmission line Expert	<ul style="list-style-type: none"> ▪ M. Sc. Electrical Power Engineering, 1991.
6.	Mr. Kedar Man Shrestha	Urban Planning / Construction Engineer	<ul style="list-style-type: none"> ▪ M.Sc. in Urban Planning, Institute of Engineering, Tribhuvan University, 2004. ▪ B. E. in Civil Engineering, Institute of Engineering, Tribhuvan University, 1996
Full time professionals in Health Section			
7.	Ms. Junu Hada	PH officer	<ul style="list-style-type: none"> ▪ Bachelor in Public Health 2008, MA Sociology
Full time professionals in Engineering Section			
8.	Mr. Manik Ratna Tuladhar	Senior Structural/Computer Engineer	<ul style="list-style-type: none"> ▪ M.S. (Structures) Department of Civil Engineering, University of Hawaii, USA, 1977 ▪ B.E. (Civil), Regional Engineering College, University of Kashmir, Srinagar, India, 1973.
9.	Ms. Shubha Rajkarnikar	Civil / Structure / Construction Engineer	<ul style="list-style-type: none"> ▪ B.E. in Civil Engineering, Nepal Engineering College, Tribhuvan University, 2000
10.	Ms. Vidhya Laxmi Prajapati	Architect	<ul style="list-style-type: none"> ▪ Bachelor in Architectural Engineering (First Division), Nepal Engineering College, Duwakot, Bhaktapur (T.U.), 1996-2001
11.	Mr. Yogananda Yadav	Highway /Construction	<ul style="list-style-type: none"> ▪ M. Sc in Civil Engineering (Bridge and Tunnel), Moscow Automobile and Highway Engineering Institute, Moscow, USSR, 1971
12.	Mr. Niranjana Tamrakar	AutoCAD Expert	<ul style="list-style-type: none"> ▪ Masters in Sociology (2003/04 batch), Tri-Chandra Collage, Tribhuvan University, Nepal ▪ Graduate in Civil Engineering, The Society of Engineers, UK, 2002
13.	Mr. B. K. Singh	Highway/Material Engineer	<ul style="list-style-type: none"> ▪ M.E. (Civil), Kharkov Automobile Highway Institute, U.S.S.R., 1986
14.	Mr. Durga P KC	Sen. Highway Engineer	<ul style="list-style-type: none"> ▪ M. Sc. in Highway Engineering, 1986, Birmingham, U.K. ▪ B.E. (Civil Engg. with Distinction) 1973, Gujarat, INDIA
15.	Ms. R. Shrestha	Architect	<ul style="list-style-type: none"> ▪ Bachelor in Architectural Engineering, 2010
16.	Mr. Hari Ram Konda	Civil Engineer	<ul style="list-style-type: none"> ▪ B. E. in Civil Engineering, Institute of Engineering, Tribhuvan University, 1989
17.	Mr. G.N. Mishra	Road Engineer	<ul style="list-style-type: none"> ▪ B.E (Civil), South Gujrat University Surat (India), 1977
18.	Mr. L.S. Hakuduwal	Civil Engineer/Road	<ul style="list-style-type: none"> ▪ B.E. in Civil Engineering, Khwopa Engineering College, Bhaktapur - 2006
19.	Mr. R Shrestha	Civil Engineer/Road	<ul style="list-style-type: none"> ▪ Bachelor in Civil Engineering, Khwopa Engineering College, (PU), 2001- 2005
20.	Mr. K. R. Bhandari	Civil Engineer/Road	<ul style="list-style-type: none"> ▪ B.E. Bachelor in Civil Engineering (in 2005 A.D.), Khwopa Engineering College, Libali, Bhaktapur
21.	Mr. N. K.C	Civil Engineer	<ul style="list-style-type: none"> ▪ Bachelor in Civil Engineering, Nepal Engineering College, Tribhuvan University, 2001
22.	Mr. S. Mandal	Civil Engineer	<ul style="list-style-type: none"> ▪ . B.E. Civil (Viveswaraiah Technological University, Karnataka, India), 2004
23.	Mr. J. Shrestha	Civil Engineer	<ul style="list-style-type: none"> ▪ Bachelor of Civil Engineering-2009, IOE, Central Campus, Pulchowk
24.	Mr. G. Chaguthi	Civil Engineer	<ul style="list-style-type: none"> ▪ B.E. in Civil Engineering, PU - 2006

ORGANISATION & RESOURCES

Financial Status

The Company was established in October 1997. At the time of its establishment the Authorized Capital and the Paid-up Capital was Rupees 10 million and 5.4 million respectively. During the last Fiscal Year (2002-03) the Authorized Capital and the Paid-up Capital was raised to Rupees 20 million and 15.7 million respectively. This generated enough capital for the Firm to buy a building for its permanent use. The accounts for all the previous fiscal years have been audited and approved by the Annual General Meeting of the Shareholders. Yearly income tax statements have been submitted to and certified by the Department of Tax. A brief description of the financial status of the Firm in past Five years is presented below.

Balance Sheets

SCOPE OF SERVICES

WATER RESOURCES

- Irrigation
- Water supply and waste water
- Sanitation
- River control
- Groundwater
- Drainage
- Hydrology
- Water Resources Studies

ENERGY

- Power System design
- System reinforcement
- Transmission/ Distribution network
- Rural / Urban electrification
- Hydropower plant/ sub-stations
- Alternative Energy
- Energy Studies
- System mapping

INFRASTRUCTURE AND NATURAL RESOURCES

- Roads and Bridges
- Buildings
- Surveying
- Geological Studies
- Project Management
- Bio-engineering
- Computer Application & GIS
- Institutional and Community Development
- Agriculture and Forestry

Studies and Engineering of Development Works

Project preparation, investigation and surveys, feasibility studies, design, appraisal, implementation and supervision, monitoring and evaluation of development works as building, roads, water supply and wastewater, irrigation, telecommunication, power, agriculture, forestry etc.;

Community Development

Socio-economic studies, design for participatory approach in program implementations as water supply, roads, agriculture, small - hydro generation, community forest, education, health, etc.;

SCOPE OF SERVICES

❑ Human Resources Development

Human resource development in construction industry, procurement of works and goods, construction supervision and quality control;

❑ Procurement Management

Management of procurement of services, construction equipment and materials, essential drugs and family planning commodities;

❑ Management of Public/Private Works

Planning, monitoring, evaluation and operational management of public/private works such as water supply and sanitation, irrigation, road and bridges, transport, building, hydropower, hospitals and other health facilities;

❑ Institutional Management Support

Management support to contractors for institutional strengthening and development of construction industry;

Healthcare Systems & Public Health

- ❑ Needs assessment of the Health Care Delivery System
- ❑ Policy, programme planning and implementation
- ❑ Sector studies (Family Planning, Maternal, Child and Neonatal Health, Reproductive Health, Environmental Health, Nutrition, Rational Use of Drugs, Communicable and non-communicable diseases including TB, Malaria and HIV/AIDS)
- ❑ Health care management
- ❑ Human resource development
- ❑ Health financing
- ❑ Operational research on health care delivery system

Primary Healthcare Centres, Nepal
Procurement Supervision of Equipment & Drug Supply

Procurement and Logistics

For medical equipment, drugs, contraceptives and consumables

- ❑ Tender preparation
- ❑ Specification tender
- ❑ Quality Assurance
- ❑ Inspection (pre and post-shipment)
- ❑ Evaluation and contract establishment
- ❑ Monitoring of supply storage and distribution

Medical Equipment Planning
& Procurement Assistance

Facility Planning & Engineering

- ❑ Project Preparation (feasibility studies, demand evaluation, economic evaluation)
- ❑ Facility Planning, master-planning, functional planning
- ❑ Design and engineering
- ❑ Equipment planning
- ❑ Information technology planning

Procurement & Logistics

For medical equipment, drugs, contraceptives & consumables

- ❑ Tender preparation
- ❑ Specification tender
- ❑ Quality Assurance
- ❑ Inspection (pre & post-shipment)
- ❑ Evaluation & contract establishment
- ❑ Monitoring of supply storage and distribution

❑ Health Care Systems & Public Health Planning

Policy, programme planning and monitoring for primary health care and the health care delivery system. Development and implementation of projects related to reproductive health as well as maternal and child health, including HIV/AIDS prevention.

❑ Project Development

The scope for project development includes feasibility studies, market analyses and establishment of business plans for new or facilities to be renovated or upgraded. MEH Consultants is offering services related to assessment of operation and develops plan to improve hospital operation, and financial resources.

❑ Facility Planning & Engineering

Supported by in-house data banks MEH Consultants offers a complete hospital planning system comprising of functional planning, standard development for design and engineering. Our comprehensive medical equipment planning system includes development of room-by-room equipment list, loaded drawings, equipment specifications and detailed costing.

❑ Information Technology

As an independent consultant MEH Consultants has extensive expertise in the development of different level of hospital information systems, which includes system development, technical specification, tendering and tender evaluation as well as project management for implementation. Our staff is experienced in business process engineering, customization and change management.

NETWORK & CO-OPERATION

MEH Consultants is an independent Nepalese Consulting Company with over 12 years of professional experience in different sector of development.

MEH Consultants is registered with international financial institutions such as Kreditanstalt fur Wiederaufbau (KfW), Germany, Asian Development Bank (ADB) and World Bank. To enhance our know-how and strengthen our expertise MEH Consultants is also co-operating with international consulting companies from Canada, Germany, India, Malaysia, UK, Japan and USA.

The company has been working together with number of national and international consulting firms.

WORK EXPERIENCE

The Company has undertaken 183 assignments of which 178 assignments have already been successfully completed. The remaining ones 6 assignments are in various stages of implementation. We consider the work experience of our Directors and Shareholders, who have contributed to the successful completion of several major projects in Nepal, as the key asset and strength of the Company. They have worked in various capacities as Government of Nepal Bureaucrats, Educators, Trainers, Project Directors, Team Leaders, Experts and Specialists, Construction Managers, Resident Engineers, Design Engineers, Supervisors etc.

Works Completed

S.N.	Name of the Project	Professional Input (mm)	Period	Scope of Service*	Client	Association
Infrastructure and Natural Resources Sector						
1	Technical Audit for Second Road Improvement Project	1.00	1998	MES	HMG/Office of Auditor General	--
2	Management and Technical Support to Contractor	8.00	1997-1998	MS	Nepal Adarsha Nirman Co. Pvt. Ltd.	--
3	Socio-economic Data Analysis for CDFWCP, Kaski and Parbat Districts	1.20	1998	MIS	JICA Nepal/ CDFWCP (Community Dev. & Forest/ Watershed Conservation Project)	--
4	Feasibility Study for Operation and Expansion of Nepal Orthopedic Hospital at Khagendra New Life Centre	1.00	1998	FS	Nepal Disabled Association	--
5	Detailed Engineering Survey, Soil Investigation, Hydrological Studies and Detailed Design of bridges over Sunkoshi and Indrawati Rivers in Kavre District	2.00	1998	DD	Department of Roads, Ministry of Works and Transport	Soil Test (P) Ltd
6	Management of Documents of Soaltee Hotel Project	0.50	1998	MS	Soaltee Hotel Limited	--
